WE DREAM FOR STUDENTS

For more than 110 years, Francis Parker School has imagined what it means to educate and support students.

We are committed to fostering the development of the whole child and we know that critical and creative thinking are developed inside and outside the classroom. This is why we dedicated resources over the past two decades to create the learning environments students need to feel healthy, safe, curious, challenged, and supported.

Now it is time to elevate our ability to support student health and wellbeing with a transformation of the athletics and physical education spaces on the Linda Vista Campus.

Now's your chance -

Join team Parker Forward and help us cross the finish line!

WE KNOW SPACE MATTERS

As part of the City of San Diego-approved Linda Vista Campus Master Plan and a two-decades-long capital improvement program to reimagine the campus, Parker is beginning construction on new athletics, physical education, and wellness facilities with anticipated completion in 2024. The project includes:

DOUGLAS AQUATIC CENTER

The Douglas Aquatic Center will include Parker's first on-site, multi-purpose 7,350 square-foot heated pool, which will be securely nestled behind the Silberman Student Life Center and Field House, with canyon views of Mission Valley.

SILBERMAN STUDENT LIFE CENTER

Parker's student life center will expand by 30,000 sq. feet to include a two-court gymnasium with 1,100 bleacher seats, commons, locker rooms, support spaces for athletics, a satellite training room, professional offices, and multi-use meeting spaces.

THE VASSILIADIS ATHLETIC CENTER

The Vassiliadis Athletic Center will elevate the game day experience, bolster our competitive advantage, and bring a new level of pride and purpose to all events hosted in this space, including California Interscholastic Federation (CIF) competitions. The Vassiliadis Athletic Center will also serve as a location for ceremonies, celebrations, and gatherings of the full Parker community.

This superstar!

JOHN HERMAN COURT

The center competition court of the Vassiliadis Athletic Center has been named by the family in honor of John Herman, a celebrated Parker teacher and coach. John, who is also affectionately known as "Coach Herm," has been a member of the physical education and athletic departments for more than three decades, and is one of the most accomplished volleyball coaches in the state.
